

## Club History

In 1984 at Dodger Stadium, a group of 28 Country Coach motorcoach owners gathered to form what is known today as the Country Coach International club. Their goal was simple--to promote the recreation lifestyle as a whole, enjoying the unique camaraderie afforded by motorcoach travel and rallying as a group of Country coach owners in exciting areas across the nation. In 1985, the Club was chartered as an International Chapter of the Family Motor Coaching Association and has become one of the larger independent RV clubs in North America, with several active non-FMCA clubs forming in its wake. From its humble beginnings, this club has grown to exceed 1,500 member coaches today. In 2009, CCI celebrated its 25th anniversary as a Chapter of Family Motor Coach Association.

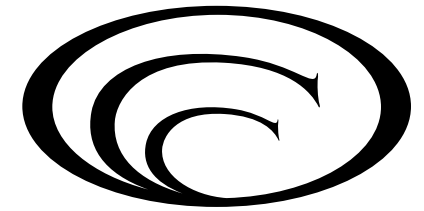

## Rally with CCI

The very best way to experience the camaraderie for which this Club is famous is to join CCI at a rally somewhere across the nation. Check the club website at [www.countrycoachclub.com](http://www.countrycoachclub.com) to learn where CCI is rallying this year!
